Aman Singh

B.Tech CSE Undergraduate | Aspiring Software Engineer | Skilled in C++, DSA & Web Development

Location — India • GitHub: [amnsingh05](#)

Professional Summary

I am a B.Tech CSE undergraduate at AKTU University with a strong foundation in programming, Data Structures & Algorithms, and web development. Skilled in C++, Python, and modern web technologies, I am passionate about problem-solving and continuous learning. I aim to apply my technical expertise to contribute to impactful software development projects.

Internships

Front-End Development Intern

SpikeTech | September 2025

Worked on front-end development using HTML, CSS, and JavaScript.
Built responsive web pages and improved UI/UX features.
Learned soft skills like communication framework (identity, purpose, proof of value).

Projects & Open Source

Face Recognition Attendance System

Real-time face detection, embeddings, attendance logging, and CSV export for record management.
